

MEMBERSHIP APPLICATION

LULAC OF RIVERSIDE, COUNCIL 3190

LULAC of Riverside, Council #3190 is a community service organization designed to actively promote civic and educational opportunities. As part of a national association, LULAC has traditionally encouraged integration into American society, fostered bilingual skills to extend the cultural horizons of our nation, establish cooperative relations with civic and governmental institutions and agencies, and uphold the rights guaranteed to every individual by our state and national laws to assure justice and equal treatment under the law.

We are currently working on the 8th Annual Community Health Fair for the greater Riverside area. LULAC of Riverside will continue to serve the people and the community, by whatever means possible, whether it's through non-partisan political engagement or providing information and resources to our community. Your time, dedication, and commitment are needed to help improve the quality of life for all, for our people, for our children, for our future! Join LULAC of Riverside, and help to bring about the needed changes in our community.

I agree with the LULAC of Riverside's mission and would like to join:

Name: _____ Title: _____
